About Me

Current Electronics and Communication Engineering student with a hunger for knowledge and a strong foundation in technical concepts. Eager to explore the intersections of theory and practical application in the ever-evolving world of electronics. Excited about contributing my skills and enthusiasm to future projects, and keen to learn from industry professionals.

Key Skills

- Java
- C++
- Web Development
- SQL
- Git and GitHub

Industrial Exposure

- Undergone Implant Training in Enthu Technology Solution on "IIOT using LoRaWAN Technolgy".

Education

Sri Krishna College Of Technology:

- *Electronics and communication Engineering*
- CGPA: 6.94

Sai Vidhya Niketan Matric.HR.Sec.School:

- Completed on 2022
- percentage: 90.82

Achievements

- 🌟 First place in Qubits.IO(coding) an National Level Technical Symposium-IGNIS'23

Course Completed

- 🌟 Machine Learning with python

Certification

- ✳ Participated in Project presentation at the National level event “BIT V-PRAYUKTI’23” organised by the Special labs in association

Coursera Certification:

- ✳ Completed course on “Java for Beginners: Getting Started”
- ✳ Completed course on “HTML, CSS, and Javascript for Web Developers”
- ✳ Completed course on “Introduction to HTML”
- ✳ Completed course on “Introduction to the Internet of Things and Embedded Systems”
- ✳ Interfacing with Arduino
